

# DEEJAY TRONIXX

## Artist Biography

Sandro Giovanni Zito, known as **Deejay Tronixx**, represents electronic music with atmosphere, emotional depth and technical precision. His musical journey began around Freiburg im Breisgau and evolved over the years into a multifaceted electronic music project between Techno, Melodic Techno, Progressive Sounds, Hard Tech and Goa-inspired influences. Driven by a strong passion for technology, digital culture and electronic sound design, Deejay Tronixx combines emotional soundscapes with powerful rhythms and modern club aesthetics. His DJ sets are designed as musical journeys — sometimes hypnotic and deep, sometimes energetic and uncompromising. He is known through his radio show **Digital Minds – Electronic Emotions** on DeeRedRadio as well as numerous published mixes and podcasts across streaming and community platforms. The focus is not only on mixing tracks, but on creating atmosphere and emotional connection through music. Today, Deejay Tronixx lives and works in Switzerland while continuously developing his artistic vision and electronic music identity.
